

HIGH PRESSURE WATER DISCHARGE HOSE

www.buchananrubber.com

DURAFLEX

DURAFLEX

DURAFLEX

Cover is extruded black abrasion, weather and oil resistant nitrile rubber

Circular woven synthetic yarns

Tube is extruded black oil resistant nitrile rubber

This is a lightweight high pressure, extremely strong hose for general water discharge service. Ideal for rental service where long life and competitive pricing is paramount. Its compact characteristics make this an ideal hose for use with portable pumps. Especially suited for pumping oily contaminated water.
-20C to +80C(0F to +180F)

DURAFLEX S

Cover is black super abrasion Resistant polyurethane

Circular woven synthetic yarns

Tube is extruded black chemical resistant EPDM rubber

This hose can be used in various water discharge applications. It's superior abrasion resistant polyurethane cover makes it ideal for use in areas of rugged terrain. It can also be used in agricultural environments for conveyance of chemicals. Specially formulated materials allow this hose to be used for low temperature applications -40C to +70C(-40F to +158F)
